

Assignment 5: North End Quarry Community in the Sky

Project Statement

This is the last assignment for this project. Having developed your design at 1/8" scale the final is to continue the design process but in 1/4" scale. Continue to detail the design with emphasis on sky zone, land zone, light filters materials and plan organization.

For the final review the following are needed:

1. Model at 1/4" scale showing materials, structure, space made from basswood, cardboard.
2. Model (existing or new) at 1/8" scale to show in larger model.
3. At least two (perhaps more) boards to show plans, sections, and sketches, statement at 1/4" scale.
4. Boards and models from other assignments.
